

There are many options to resolving your case without having to attend a formal court date.

For instance, you may be eligible for a drivers safety course dismissal or deferred disposition.

You may also be eligible for a compliance dismissal for charges such as expired registration, expired drivers license or equipment defects.

If you would like to attend a formal court date to discuss your case with the prosecutor or the Judge, you may do so. Most of our court is in-person; however, for good cause reasons, the court may grant the option of appearing via Zoom.

Requesting A Court Date

To request a court date, please fill out the following form and email a copy to court@crossroadstx.gov.
